

WHAT IT IS

EPIIC Consulting applies the Intent → Results discipline to the problem in front of the organization — strategic planning, implementation roadmaps, organizational realignment, and change management. Consulting focuses on the problem and the solution; at Entropia, that work is grounded in the same framework that develops the leaders who have to carry it forward.

THE PROCESS: INTENT → RESULTS

BEST FOR

Institutions where the stakes are long-term and mission-defining — and where the plan has to survive contact with real constraints.

WHO IT'S FOR

- ◆ Institutions navigating transformation, growth, or rebuilding
- ◆ Presidents and executive directors leading a strategic planning cycle
- ◆ Organizations facing audit recovery, governance clarity, or culture change
- ◆ Senior teams that need a plan built to be executed, not filed

WHAT'S INCLUDED

- ◆ Mission-aligned strategy development and multi-year operating plans
- ◆ Implementation roadmaps and performance metrics
- ◆ Organizational realignment and culture change support
- ◆ Governance clarity and operational integration

Scientist by training. Strategic thought partner by practice
